# Hi. I'm Christina!

FAITH • FAMILY • COUNTRY •

A little bit about me is that I am a devoted wife and toddler Mom. I am an author, singer-songwriter for TV, and have placed 350+ original songs on networks like A&E, Lifetime and E! I am the founder of the HOLY-HOLLYWOOD NETWORK, (since 2008) and host of the "Holy-Hollywood Podcast." Offline, I'm unapologetically myself, fueled by my morning iced coffees and vanilla protein shakes. My mission is to empower people to fearlessly pursue their God given purpose and calling. Let's discuss your vision, partnership opportunities, and how we can make a difference together. Thank you for connecting!
